## FSB-U023-ALG LED Series

### FEATURES & SPECIFICATIONS

**Intended Use:** The FSB-ALG series is an excellent choice for powerful and energy efficient site lighting. These fixtures are made with positive cooling technology to maximize the lifetime of the fixture. These fixtures are made with high quality chips to provide a long lasting, beautifully built fixture capable of meeting your site lighting needs. The wide range of wattages ensure that there's a lighting option for any application you have.

**Installation:** These luminaries are ideal for parking lots, tennis courts, basketball courts, and other outdoor area lighting.

**Rating:** IP65

**Warranty:** 5 years

**Listings:** ETL, DLC 4.0

**Light Distribution:** TYPE III & V

**CRI:** >80

**Material:** Die-cast Aluminum
