LVT-U057-223 LED Series

FEATURES & SPECIFICATIONS

Intended Use: The FVT-IP65 series is an excellent choice for powerful and energy efficient lighting. These fixtures are made with high quality polycarbonate housing. These luminaires offer great color uniformity and a prismatic polycarbonate diffuser for excellent lighting. The finish product has a refined and modern look with efficient LED technology to keep energy costs down while still providing excellent and long lasting lighting.

Installation: These luminaires are ideal for parking garages, stairwells, closets, mechanical rooms, electrical rooms, and other locations that require vapor tight fixtures. These luminaires are great for new construction and retrofit projects.

Rating: IP65

Warranty: 5 years

Listings: UL

View Angle: 120°

Lifetime: 50,000 hours

Fixture Body: Grey PVC with stainless steel clips and a clear polycarbonate lens.
